Report of Forest Fire Warden and District Chief

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Camp or cooking fires are allowed with permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area.

Penalties

1. For kindling a fire without a permit. Maximum of \$200 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands, the maximum fine is \$500 or one year's imprisonment.

3. For failure to extinguish a camp or cooking fire before leaving it, the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine of \$25.

Fire prevention is a personal matter and a good habit. Congratulations to the people of Eaton for a perfect record in 1969. Keep it up in 1970.

REPORT OF THE CONSERVATION COMMISSION

At the Special Town Meeting held on July 22, 1969, it was voted that the Town of Eaton should have a Conservation Commission as permitted under Revised Statutes Annotated 36-A (Supp) Vol. I. Accordingly, on July 29, 1969 the Selectmen appointed the undersigned as members of the Commission. The following is a summary of our activities to date.

Arrangements have been made to obtain a Soil Use map of the Town and the necessary interpretations of such map from the United States Soil Conservation Commission so that all interested persons may more intelligently plan the future use of land in Eaton. To improve the appearance of the community about forty old cars have been removed from town, a start was made in eliminating poison ivy from roadsides and brush has been cut behind the church. Water samples have been taken from fifteen places in lakes and streams and these have been analyzed by the New Hampshire Water Supply and Pollution Control Commission to determine possible areas of pollution. The Town Forest is being cut selectively with net proceeds to the Town to date in excess of one thousand dollars, some fire roads have been repaired and we are presently negotiating for the purchase — with private contributions and matching Federal funds — of the land at the top of Foss Mountain.

The Commissioners gratefully acknowledge the splendid co-operation of the Ladies' Circle at the dinner meeting last Fall. They are ever mindful that without the generosity and civic-mindedness of those friends of Eaton who have made financial contributions, our efforts to make the Town an even better place to live would be seriously curtailed.

LAND-USE ORDINANCE

Preamble

For the purpose of properly conserving and utilizing the lands and waters of Eaton, promoting the health, safety, morals, prosperity, convenience or general welfare, providing for efficient and economical administration of town affairs, and preserving the rural character of Eaton, the following ordinance is hereby enacted by authority conferred by Chapter 31, Section 60-89, N. H. Revised Statutes Annotated 1955, and by every other authority thereto enabling.

Article I

For the purpose of this ordinance the entire Town of Eaton is considered as a single undivided district.

Article II

The invalidity of any provision of this ordinance as adjudged by a court of competent jurisdiction shall not affect the validity of the ordinance as a whole or the validity of any other part or provision.

Article III

General Provisions

1. No land or water in Eaton may be used for any trade, industry, activity or use that may be obnoxious or offensive by reason of the production or emission of dust, odor, smoke, refuse matter, fumes, noise, vibration or similar conditions, or that is detrimental or injurious to the comfort, peace, enjoyment, health or safety of the community or the immediate neighborhood or lending to its disturbance or annoyance.

2. No land or water area in Eaton may be used as a junk yard or storage place for unregistered vehicles unfit for use on the highway, second-hand unusable machinery, scrap materials or any other used second-hand articles the accumulation of which is detrimental or injurious to the neighborhood.

3. No land or water in Eaton may be used as a placement for any signs except for highway, safety and regulatory purposes and those for enterprises conducted in Eaton, and in no case shall any sign exceed in area four (4) sq. ft, except as a special exception granted by the Board of Adjustment, hereinafter provided for, upon finding the same will not be detrimental or injurious to the neighborhood.

NOTES ON CURRENT HISTORY — 1970

At Town Meeting March 11, 1969, the budget as presented by the Budget Committee was accepted with an additional \$3,000 for winter maintenance.

The town voted to discontinue the so-called Snow Road from the east side of the bridge near Russell Bean's to where the road joins the Potter Road to Conway Lake by a written ballot of 25 in favor and 22 not in favor.

The town voted not to raise \$100 for the Carroll County Mental Health Service.

The town voted to raise \$1,000 to purchase land and build an addition to the Snowville Cemetery and authorized the selectmen to accept donations and gifts for the cemeteries.

The town authorized the selectmen to replace the ancient grader (Goliath) with a new grader at a cost not to exceed \$31,000, to use the existing capital funds for the same and to borrow any other funds necessary.

The town voted to subsidize an ambulance service for one year at a cost to Eaton of \$432.

At a Special Meeting July 22, 1969, the town authorized the selectmen to appoint an official Conservation Commission in accordance with State laws. Subsequently the selectmen appointed the following: Louis Feron, Milton Garland, Bertrand Heath, Allan Robotham, James Simonds and Roland Toppan. The first step of the Commission was to improve the appearance of the town by hauling away over 40 old and abandoned automobiles. During the remainder of the year, the Commission supervised the cutting operation of the Jackson Town Forest.

On January 5 and February 2, the town Planning Board held open hearings to discuss a land-use ordinance to be presented to the people for vote at town meeting March 1970. This ordinance is printed in this issue of the annual report.

Town Records. Matters of legal and historic value have been excerpted from the town clerk's record for the years 1914 through 1955 and copies are in the town vault together with transcriptions of the tapes made at town meetings of 1967, 1968, and 1969. The vault now contains records of all town meetings from 1785 through 1955. Records of town meetings of 1956 through 1966 are with the Town Clerk. — K. H.
